## OVERVIEW

- Led by Naturalist Iolo Williams.

- Co-led by Nature Scotland's local guides.

- 8-12 guests being looked after by 3 or 4 wildlife guides (inc Iolo).

- We will showcase the island's incredible biodiversity

- 5 land tours around the island in search of White-tailed Eagles, Golden Eagles, Otters, Hen Harrier, Short-eared Owls and many other wildlife species.

- 4 hours at Sea with *Sea Life Mull*.

- Packed lunches are included, using a local caterer.

- Accommodation and breakfast / evening meals are NOT included, enabling a lower price for the experience. Whether you are camping, glamping, B&B or self catering, join Iolo Williams to discover the wildlife of Mull!

**DAY ONE – Welcome & North Mull**

We will greet our guests in Ledaig car park (PA75 6NR) at **2pm.**

*no packed lunch included on day one*

From here we will head out for our first wildlife tour of the package, exploring the northern parts of the island. Starting with local moors for **Hen Harriers** and **Adders** before having lunch at a white sand beach. After lunch we will spend time checking a couple of **Golden Eagle** territories before undertaking a stunning coastal drive down the western side to check some **Otter and White-tailed Eagle** sites.

We will arrive back to Tobermory at **7pm**.

**DAY TWO – South Mull (10am - 5pm)**

We will venture out around the south side of the island in the comfort of our people carrier to explore some of Scotland's finest wild areas, searching for iconic species such as **Golden Eagle, White-tailed Eagle, Hen Harrier, Red Deer** and more. We will take in the stunning wild scenes of the Ben More mountain range along with some amazing coastal views looking out to the Atlantic ocean.

**DAY THREE – Whalewatch and local moors (9am - 5pm)**

We will meet at 9am down in Ledaig car park and get ready for the 4 hour sea excursion to search for **Minke Whales, Dolphins, Basking Sharks** and **sea birds**. We will have lunch back in the harbour and then head out to local moors to check for **Hen Harriers, Adders, Dragonflies** and **Butterflies.**

**DAY FOUR – South East Mull (10am - 5pm)**

We will spend another day travelling around some different parts of the island down in the south east. We will check a number of Eagle territories and also some **Otter** feeding grounds while we take in the breathtaking scenes all around us.

Scotland is the 'cradle of geology' and attracts enthusiasts from all over the World to admire and study the 'cornerstone' of all life on the planet. On the tour we will unearth Mull's fiery volcanic past.

**DAY FIVE - Flexible Final Day (10am - 2pm)**

We'll be flexible on this day and potentially take the opportunity to try and see any species that have so far eluded us and also may do a woodland walk in search of **Crossbills** and check some local burns for **Dippers**.

We will finish the experience at **2pm.**
